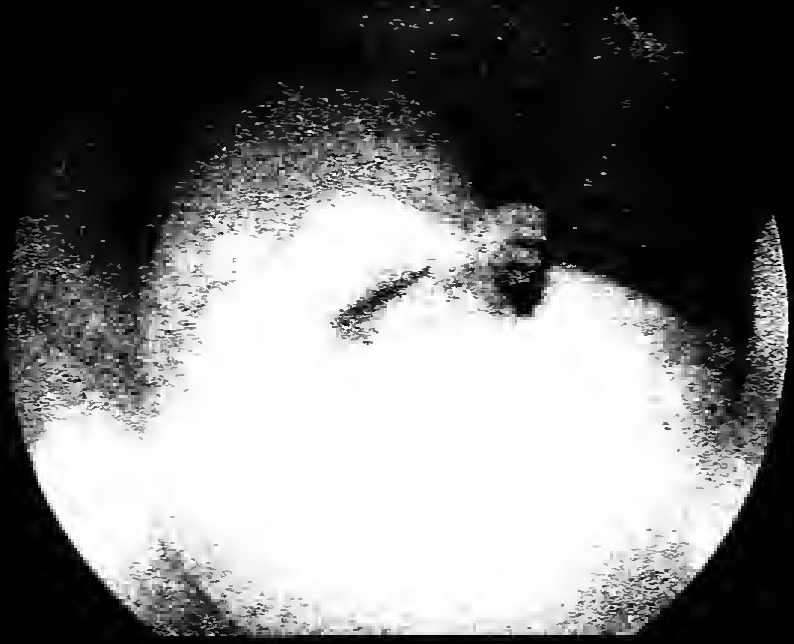
THE DOCTOR AND THE PREGNANT BEGGAR



小診所
AUYA
AFTER WORKING HARD ALL DAY,
I CAN FINALLY RELAX.
DOCTOR, YOU SHOULD ALSO CALL IT A DAY SOON.
SOME-ONE IS AT THE DOOR.
KNOCK KNOCK
KNOCK KNOCK
COMING, COMING.
ARE YOU LOOKING FOR A DOCTOR? IT'S ALREADY...

I AM ABOUT TO GIVE BIRTH.
PLEASE HELP DELIVER THE CHILD.
DOCTOR, PLEASE HELP ME.
...LATE.

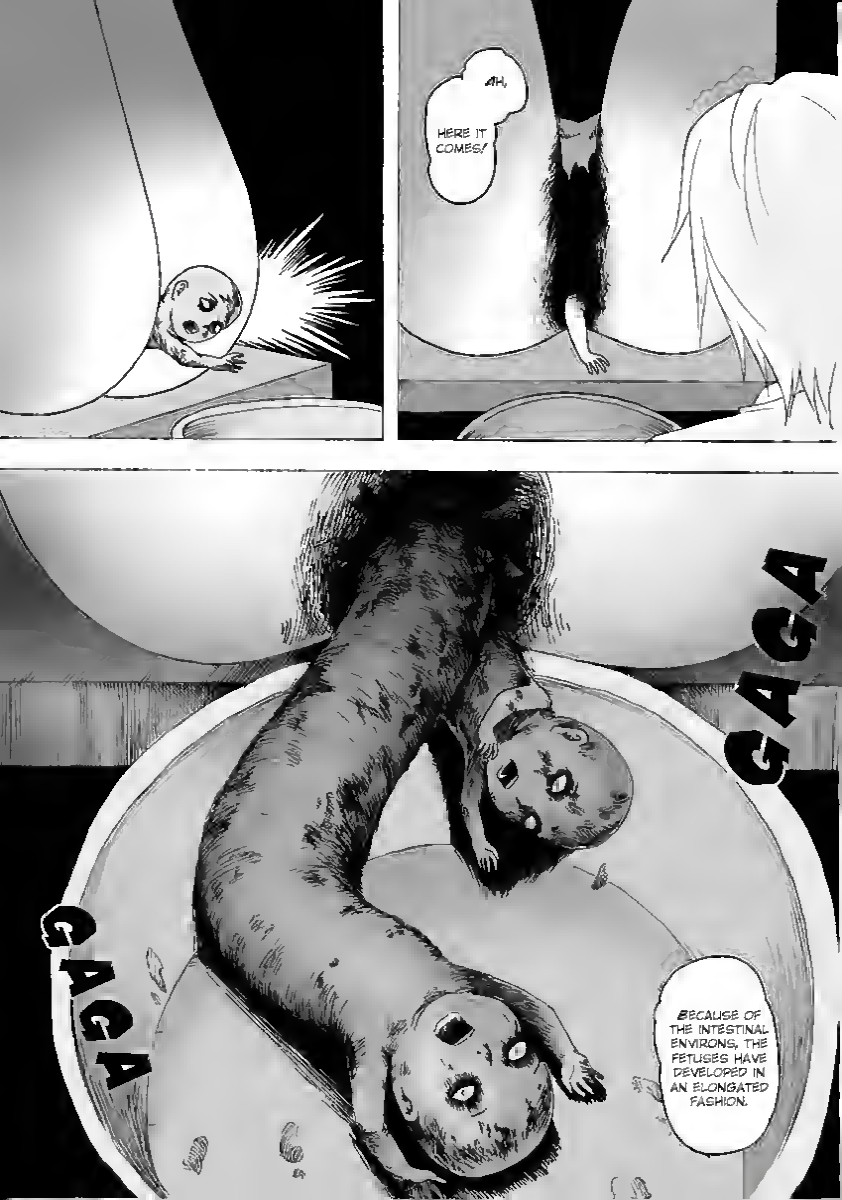
PLEASE GET READY TO DELIVER THE BABY!
DOCTOR! DOCTOR!
THERE IS A WOMAN ABOUT TO GIVE BIRTH AT THE DOOR!

THEN GET READY FOR SURGERY!
I'D LIKE TO SEE CAN'T YOU THAT, THIS WILL BE A DIFFICULT BIRTH. WE WOULD HAVE TO PERFORM A CESAREAN
THIS HOSPITAL IS NOT A CHARITY, IF SHE DOESN'T HAVE ANY MONEY THEN TELL HER TO SCRAM!
THERE ARE SO MANY ROADSIDE BEGGARS LIKE THIS, WE CAN'T TREAT THEM ALL.
?
EVEN WITHOUT INSTRUMENTS AND EVEN IF THE DOCTOR DOESN'T WANT TO HELP, I CAN STILL SAVE HER!
I MIS-JUDGED YOU DOCTOR!
HOW...
CAN YOU...

I'LL SAVE HER WITH MY OWN TWO HANDS!
RIP
THERE ARE NO BABIES?
HER WOMB IS EMPTY! HOW CAN THIS BE?
NONE?!

WHAT TO DO... WHAT TO DO...
OR IS MY UNDERSTANDING OF MEDICAL THEORY DEFICIENT?
WAS THERE A PROBLEM IN THE WAY I OPENED HER UP?
SOMETIMES THE FERTILIZED EGG DOES NOT REACH THE WOMB
IN SUCH CASES, WHERE THE FETUS GROWS OUTSIDE THE WOMB, IT IS AN ECTOPIC PREGNANCY
ECTOPIC PREGNANCY
ECTOPIC PREGNANCY
THEN, WHERE ARE THE BABIES?
ACCORDING TO MY EXPERIENCE AND RESEARCH, NOT ONLY DOES THIS BEGGAR HAVE AN ECTOPIC PREGNANCY, SHE ALSO HAS TWINS

YOU ARE A GOOD PERSON AFTER ALL
THANK YOU, DOCTOR!
GIVE HER IS LAXATIVE, THE FETUSES ARE IN THE INTESTINE.
AH, IT'S TAKING EFFECT QUICKLY
CURLING
HERE, EAT THIS
...
PU PU
RELAX AND PUSH, I'LL CATCH FOR YOU



AH,
HERE IT COMES!
GAGA
GAGA
BECAUSE OF THE INTESTINAL ENVIRONS, THE FETUSES HAVE DEVELOPED IN AN ELONGATED FASHION.

SMALL CLINIC
DOCTOR, COME LOOK! THESE ARE TWO FINE BABIES!
DISGUSTING, GET AWAY FROM ME.
I WORKED HARD TONIGHT, BUT IT WAS WORTH IT
I SAVED THREE LIVES. IN SUCH A MOMENT I CAN REALLY BE PROUD OF MYSELF.
BYE BYE!
WORK HARD TO RAISE YOUR CHILDREN WELL!
THANK YOU, DOCTOR.
Huh? -- the original has a bit of a pun involving the similarity between grow up and dongarel
GOOD! TODAY I WILL SAVE EVEN MORE LIVES!
DOCTOR, LET'S GET TO WORK!
NO WAY, IT'S TIME TO CLOSE UP AND SLEEP
EH?!

END

How many people thought that babies came from chrysanthemums when they were young?
